

20 December 2017

Dear Parents and Carers

Car Parking at The Academy

Following a Health and Safety and Safeguarding review, I have made the decision that cars will not be granted access on site to collect students after school. This will take effect from the start of Term 3 on Thursday 4 January 2018.

I have reached this decision following a number of near misses of accidents and altercations between car owners.

Should your child have mobility restrictions and you require access to the site, it will be permissible for you to enter the school site and I ask that you contact Reception staff to make us aware.

There will be no changes to cars being allowed on site before school to drop students off.

Should you have a prearranged meeting during the school day, you will be granted access to the school site once you have identified yourself to Reception staff.

Thank you in advance for your co-operation and I wish you and your families a very Merry Christmas and best wishes for 2018.

Yours sincerely

Mrs K Gunn
Principal
