## \* A level and GCSE Drama

For **A level Drama (9DR0/2A/2B)** and **GCSE 9 to 1 Drama (1DR0/02)**, we hold recordings on LWT and we will be able to complete the review using the recording held on LWT. It will help to speed up the processing of your review of marking request if you submit all requests for a particular paper at the same time.

The fee for this review of marking (**Service 2**) is **£65.80 per candidate** and the fee for a priority review of marking (**Service P2**) is **£68.90 per candidate**.

Fees for Service 3 review of moderation will be calculated pro rata on the basis of the number of candidates who meet the above criteria.

Candidates' marks may be confirmed, lowered or raised, but we don't require candidates' consent for this service. You'll also receive a report giving feedback similar to that provided after the original moderation. Please remember not to return work to candidates until after the review of marking and moderation deadline has passed.

## **\*\* GCSE, A level and BTEC (NQF) Art and Design**

Please note that only review of moderation (Service 3) services are available for these specifications.

Once you have submitted your review of moderation (Service 3) request to us through Edexcel Online, we'll send you an acknowledgement letter listing the original sample of candidates.

You'll need to ensure that the work of these candidates is available for moderation review. Please notify us once you've received the list of sampled candidates.

### **If you'd like a senior moderator to visit you**

We'll make arrangements for a senior moderator to visit your centre. You'll be liable for all associated costs, which we'll calculate pro rata on the basis of the number of candidates who meet the criteria. The costs would include the senior moderator's fees, travelling expenses, subsistence costs and, if necessary, accommodation costs and teacher-release payments. However, you won't need to pay the standard Service 3 fees in addition to this.

If the requested sample is not available to the senior moderator, he or she will withdraw, and we will uphold the original moderation decision. You'll remain liable for all associated costs.

**We'll let you know the outcome of your review of moderation within 35 days of the centre visit.**

### **If your moderation was conducted digitally via LWT**

The review will be completed digitally via LWT, and the standard service 3 fees will apply.

**We'll let you know the outcome of your review of moderation request within 35 days of the moderator receiving the work.**

## Review of moderation (Service 3) requests

We will not charge centres for this service if centre marks are reinstated as a result of the review of moderation. In all other cases, the full fee will apply.
