Results not collected on the Result days will remain in school. If a student wishes for someone to collect on their behalf, students must inform the Exams officer via [exams@stroodacademy.org](mailto:exams@stroodacademy.org) by 16th August 2023. This must be the student not the parent.

The request may not be processed if received after this date.

Results will not be given out by telephone or emailed.

## **Statement of Results**

On results day you will receive a 'Statement of Results'. **THIS IS NOT YOUR FINAL CERTIFICATE.** The statement lists **ALL** the exams you have taken and any components within the qualification.

You will receive an overall results sheet, and then an overall results sheet per examination board.

## **Post Results Service Information**

CLERICAL RE-CHECK (Service 1)

A post results service to check all clerical procedures were carried out, such as all pages were marked, all marks were counted and the result matches the marks on the paper.

REVIEWS OF MARKING (Service 2)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of a candidate's script. Students may request to have their exam paper reviewed but they must be aware that there are three possible outcomes; the mark stays the same, the mark is raised or the mark is lowered.

A priority review of marking service (Service 2P) is available for GCSE Maths and English Language and GCE A-level candidates whose place in higher education is dependent on the outcome. Awarding bodies aim to complete a priority service within 15 calendar days of receipt of the application.

**Students should seek advice from their Academy staff before proceeding with any Post results request**

#### ACCESS TO SCRIPTS

A student may request a script to assist in deciding on whether or not to proceed with a review of marking. In this instance, a priority copy is required.

Should a student wish to request a copy for revision/information only, then they can do so. Once a non-priority script has been requested, a review of marking may no longer be accessible from some awarding bodies.

#### APPLICATION FORMS AND FEES

Post results application forms will be available upon request by contacting [exam@stroodacademy.org](mailto:exam@stroodacademy.org)

All applications must be signed by the candidate, as requests cannot be processed without the candidate's written consent.

All post results services incur a fee and are subject to strict deadlines, which must be adhered to. Please note: applications will not be processed without the appropriate fee.

Guidance on deadlines and Exam board fees are in the provided links and can be obtained from emailing: [exams@stroodacademy.org](mailto:exams@stroodacademy.org)

## Certificates

Certificates are received in school during November and leavers will be invited in to collect them once ready.

Those that stay on in the sixth form will be issued out during form time during this period.

JCQ regulations state that certificates should be kept for 12 months. If they remain uncollected they may be disposed of securely.

Certificates are important documents. Most educational institutions and potential employers will ask to see your original certificates. If you lose or fail to collect your Certificates, you will need to obtain duplicates from the relevant Awarding Body. The Awarding Bodies no longer replicate certificates unless you can prove they were destroyed

by theft, fire or flood; they will only issue a Statement of Achievement. This currently costs in the region of £43.00 per 'Statement of Achievement'.

## **Notice to Centres**

### **Unclaimed Certificates**

The Awarding Bodies have agreed to implement a standard procedure for dealing with unclaimed certificates.

Centres may destroy any unclaimed certificates by a secure method (for example by shredding or incineration) after holding them for a period of 12 months from the date of issue. A record of all certificates destroyed by a centre should be kept for a further period of four years from the date of their destruction.

Any queries concerning the destruction or secure disposal of unclaimed certificates should be directed to the awarding body that issued the certificates.
